Dear Mr. Huttamiah

As you have been
replied from the British
now with effect from 1st
April 1911, the Comptroller
is of opinion that your
travelling allowances should
be regulated by the provisions
of the Mysore Service
Regis. and that you
are not entitled to the

You will also be entitled
to travelling allowance for
journeys ~~under~~ of less than

It will be seen
that the only difference
between the above & the
rates ~~allowed~~ ^{without drawn} to you is
in the Railway fare, which
will be somewhat less
which is likely to be more
while you are not ~~settled~~

General and Revenue Departments.

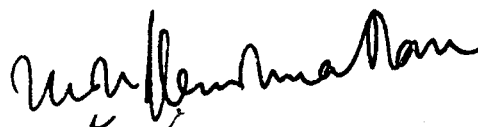

SIR,

I have the honor to state that under Government Order No. G. 5835-36/G.M.46-10-12 dated 6th April 1911, Mr. Muttanna, Conservator of Forests, was permitted to retire from British Service with effect from the 1st April 1911 and he is therefore now only a British Pensioner in the employ of the Durbar. As a lent officer of the Madras Government he was given the Travelling Allowance admissible to Conservators of that Government, including the special Railway Mileage of annas 6. Now that he is not a lent officer it seems that his Travelling Allowance should be governed by the Mysore Service Regulations, under which it is the general rule to bring all British pensioners under the Durbar. I request you to be so good as to obtain the orders of Government in the matter, pending receipt of which Mr. Muttanna's Travelling Allowance claims will be passed provisionally under the conditions hitherto in force.

I have the honor to be,

Sir,

Your most obedient servant,

Sd/- For Comptroller.
